Is it time to visit the dentist? Community dental services

Take your baby to meet their dentist from around six months of age.

Dental visits protect their mouth and teeth.

Children who visit a dentist twice yearly from an early age become familiar and confident with the dental surgery and its dental team.

Medway Community Healthcare provides a wide range of high quality community health services for Medway residents; from community nurses and health visitors to speech and language therapists and out of hours urgent care.

For advice and details of how to sign up to an NHS dental surgery in Kent and Medway telephone: **0300 123 4412**
